

Super Diesel 5 in 1

BENEFITS

- ✓ It increases the cetane number of diesel fuel for better combustion.
- ✓ It cleans the fuel system, fuel pump, injectors and valve seats.
- ✓ It improves the lubricating effect of the fuel and thus protects against wear.
- ✓ It demulsifies existing water in the fuel system and thus protects against corrosion.
- ✓ It improves the flowability of diesel fuel in winter (suitable for summer and winter diesel)

Usage

PRODUCT DESCRIPTION

Bizol Super Diesel 5 in 1 is a fuel additive for the maintenance and cleaning of the entire diesel fuel system. It completely improves the diesel quality.

Super Diesel 5 in 1

Available Packages

Size	Art. Nr
