Description du produit

BIZOL Truck New Generation 15W-40 is high quality motor oil, suitable for all diesel truck engines, under all operating conditions and throughout the whole year. Extensive development efforts qualified this oil to outperform the highest demands that modern diesel engines currently place on motor oils. The formulation of this oil ensures superior cleaning performance, highest wear protection and an excellent prevention against bore polishing, resulting in a prolonged oil change intervals. **BIZOL Truck New Generation 15W-40** is suitable for Euro IV till Euro VI truck engine generations.
